

SCHWEINFURTH ART CENTER

Exploring Watercolor Techniques through Landscapes, Collage & Cards

with Hetty Easter

Supply List

1. Watercolor paper
Recommended: pad of Strathmore cold press watercolor paper-
2. A variety of pencils, I like the good old yellow number 2 or the woodless graphite pencils in 2B or lighter.
3. A kneaded eraser
4. A variety of watercolor brushes- at least a large brush for washes, a medium brush and a smaller brush I buy mine from RosemaryBrushes.com- I will have a catalogue in class for you to look at- I usually get them within the week.
5. A sketchbook or drawing paper
6. Paper towels
7. A water container (recycle something!)

You might also want a large drawing board (the ones with clips). If you have one, they are nice, you can tape your watercolor or drawing paper to it and prop it up to make the angle you prefer- especially if you like to sit and draw/paint.

You can get many of these supplies at Commercial Art Supply in Syracuse 315-474-1000- be sure to ask for the student discount! They will also price match if you find the item elsewhere. First two items available on Dick Blick as noted.

Note that watercolor paints for use in class will be provided by the Schweinfurth and are included in your class fee, but if you have favorite colors, please feel free to bring them.

Class Dates: Tuesdays, September 26-October 31, 1:30-3:30pm
