

# WORKSHOP - ABSTRACTING FROM NATURE

LENGTH - 1 day to 5 days

LEVEL - Beginning to advanced

Sewing machine needed for 3 to 5 day class

## WORKSHOP DESCRIPTION -

Nature is an endless source of inspiration. In this class we will examine a wide variety of artists interpretations of nature before beginning to manipulate natural forms ourselves. Through a series of exercises we will experiment with abstraction and exaggeration to capture the essence and energy of your favorite flora and achieve dramatic visual effects. We will then translate these ideas into fabric in the 2 to 5 day workshop.

Drawing skills are not needed but participants should have a strong interest in developing their own design language and unique visual symbols.

This class is especially beneficial for the drawing impaired and the tragically literal.
