Supply list for Book of life class

~Various scraps, leftovers and cuttings. These can be very diverse, use your imagination! I encourage you to bring your half done stitcheries, quilt blocks, UFO's, paper, let's see if we can use them!

~Several large pieces, 20"x20" works well, of fabric. These will be your base cloths that we will stitch on, and attach the other pieces too. Your choice of colors. Keep in mind that we maybe hand stitching into them, so not too dense or heavy. Linen and woven cotton work really well. We may cut these smaller, to form 'pages', so nothing too precious.

~ Basic sewing supplies..Sewing thread, embroidery flosses, scissors, pins, tape measure.

~I will bring my sewing machine, to use, you can bring yours if you like. If you do, bring the cords/attachments etc. that you need. I'll have extension cords.

~I will bring an ironing board and iron.

~I will have fabric/trim/floss packs available for \$20.00 these are color coordinated.

~Please feel free to contact me with any questions or comments.
