

## Course Title: Joomchi and Beyond

Instructor: Jiyoung Chung (artloverjiyoung@yahoo.com)

### Course Description:

**Joomchi** is a unique Korean traditional way of making textured handmade paper by using water, and eager hands. This workshop offers participants the opportunity to become acquainted with its history, practice and role in Korean society, as well as the hands-on techniques and reinterpreted adaptations into contemporary art form. Joomchi creates strong, textural and painterly surfaces by layering and agitating *Hanji* (Korean mulberry papers). Its usages are diverse and it can be incorporated into surface design, collage, new way of drawing, wearable, unconventional body ornament or sculptural object: 2-D & 3D either functional or fine art oriented.
