

## **CLASS MATERIALS YOU NEED TO BRING**

Plastic or Brown Paper bags - If you have extra plastic covering from dry cleaning bring as much as you can. I prefer to use as little plastic as possible so we can reuse what has already served its purpose.

Roll of string

Round rock or something we can use to roll string on.

Plastic gloves

Scissors

Old Cotton Sheet you don't want to make an Iron Blanket for dyeing

**Leaves and Flowers: See bottom for suggestions.**

### **Fabric options to bring:**

1. Amazon or Dharma Trading Co. sells direct - White Habotai Scarves

Example - Dharma Trading Co

Habotai Scarves - 11 X 60 - Pack of 3

\$15.48

2. White silk fabric from your closet, thrift store, Goodwill
3. White cotton fabric, a tee shirt, scarf, napkins ..... You can usually buy a white cotton shirt for dying from Michaels or Joanns for \$5 -\$7

**\*\*\* Even if the fabric is meant for dying you will still need to scour and mordant the fabric you bring in!**

**Don't stress about this at home process. Some people don't do it thoroughly, but the more you do the better your results.**

**If we have time at the end of the first day we'll ice dye so bring something you want to ice dye.**

## **MATERIALS I WILL PROVIDE**

Leaves

Dowels

Red Cabbage

Stretch Wrap Barrier layer Parchment paper

Turmeric Root

Cochineal

Logwood

Ferrous sulfate  
White vinegar  
Rags for Iron Blanket  
Large plastic  
Plastic containers  
Dyes  
Ice  
Rubber bands  
Steamers  
Tongs  
Scissors  
Distilled Water  
Clothesline and clips  
Clothes hanger

### **Leaves that have higher tannin**

Sumac  
Sweet gum  
Eucalyptus  
Oak  
Maple  
Rose leaves  
Many weeds
