

Big and Bold: A New Comfort Zone

In Joe's five-day workshop you will learn how to find and use ideas for starting a quilt and the techniques you need for making it. He covers the ways you can balance the positive and negative spaces while letting the quilt in process guide where you go. Joe will lead a special session on the quilting designs and how you use the quilting to extend the ideas in the quilt. This is a workshop for anyone who wants to feel more free in their approach to a quilt, who might feel blocked or as if they end up doing the same thing over and over. With these techniques and with this way of finding inspiration at the beginning of your project, you will be more open to new discoveries as you create.

SUPPLIES

Sewing machine and all standard sewing equipment: needles, pins, thread, scissors and etc.

Rotary cutter, large mat and rulers.

Fabric: at least 6 yards, with some prints, some solids, 1 yard minimum each. No penalty for bringing extra fabric.
